

Stroud Choral Society

Thank you for your interest in joining Stroud Choral Society. We hope the following information about us will be helpful.

Stroud Choral Society, one of the oldest in the UK, is a large, but friendly society. We perform a wide variety of music, both sacred and secular, with our children's choir joining us for some performances. We give concerts four times a year- typically in November, December (Christmas concert), March and June and employ professional orchestras and soloists. We also run workshops from time to time.

Because of the size of the choir, we do not have a permanent base in Stroud and therefore perform in various locations in the Stroud area and beyond.

Our aim is always to perform to the highest possible standard. We do not expect members to be trained singers or confident sight readers, but we do require commitment, enthusiasm for the music, the ability to sing in tune from a score and a willingness to practise between rehearsals. Although we do not currently audition, the conductor has the discretion to conduct voice assessments from time to time for certain purposes. Although new members usually join at the beginning of September, there is a possibility to join after Christmas or Easter but no later than 3 weeks into any term. However, please note that to perform in a concert members are expected to attend 75% of rehearsals, with the conductor making the ultimate decision for members who attend fewer.

We rehearse on Mondays between 7.30 and 9.30pm at Marling School Music Centre, Cainscross Rd, Stroud, from the beginning of September until the end of June with a break at Christmas and Easter.

It would help us to know something about your singing background. If you wish to apply to join please complete and submit the form below. We will contact you and consider your application in the light of current vacancies. Your details will be used only for Society activities and not divulged to third parties. Thank you.

Please write clearly.
